Get a Waukenphast shoe here for \$3; not fine of course, but has real virtue in it, and no sham.

One much like it, \$4; slightly finer leather and trimmings-takes a shoe man to tell the difference though. Buy the one your foot likes best.

Perhaps you'd better buy the \$5.50 Waukenphast. How to make more substantial shoe comfort and virtue we don't know.

Cork-sole shoes - Waukenphast and otherwise-keep the feet warm and dry; are easy and full of wear. What more can you expect of a shoe?
